# THE CALIFORNIA RANCHER HOUSE 1953

73559 Pinyon Street, Palm Desert, CA

Photos: Redfin.com

This is a beautifully unaltered 2,278 square foot home with 2 bedroom, 3 baths which sits on an almost half an acre lot. It is a good example of a typical "California rancher" style home with a long low roof line, large overhangs, vertical accent poles and vaulted beamed ceilings.
